

INDUSTRY @ SESAME

28 & 29 October 2019 @ SESAME (Amman, Jordan)

SESAME's 1st Industrial & Applied Science Workshop is a two-day event for Industry and Applied Scientists to discover the unique capabilities that the SESAME light source offers.

Includes discussions with expert scientists from SESAME, presentations from industrial scientists and visits to the SESAME light source. The workshop will showcase applications in the following fields:

- Pharmaceuticals
- Catalysis & Chemistry
- Renewable Energy & Energy Storage
- Petrochemicals
- Metallurgy
- Engineering
- Aerospace & Automotive

Funding is available for 20 participants. For more information please visit us at www.opensesame-h2020.eu/3656

This workshop is supported by OPEN SESAME which receives funding from the European Union's Horizon 2020 research and innovation programme (grant n. 730943)
